This guide provides for rewards for positive behavior by a STEP participant. The STEP Team is responsible for reviewing each "case" individually, to make a determination of what would be in the best interests of the participant. **An abbreviated guide is provided to the participants in the Participant Folder.**

- Positive testing or admitted use of substances will preclude any reward for that session other than verbal commendation for the compliance with some short term behaviors.
- Costs for Rewards. Paid for by Library Fund or from Treatment Provider STEP Savings Account. US Probation Office procures them.
- Financial Accountability. Probation maintains record of disbursement of gift cards.
- Distribution of Rewards. Usually by person talking with the participant.
